NINTENDO'S MOTIONS FOR  
PROTECTIVE ORDERS**

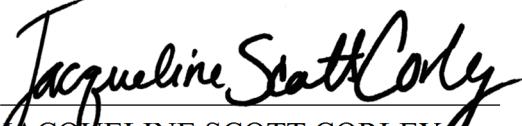

Dkt. Nos. 267, 268.

12 Non-party Nintendo of America Inc. ("Nintendo") moves for protective orders "to keep  
13 sealed" information designated confidential in Plaintiff FTC's bench brief (Dkt. No. 180-2) and  
14 Defendants' proposed pretrial findings of fact and conclusions of law (Dkt. No. 179). (Dkt. Nos.  
15 267, 268.) Nintendo asserts it has not filed statements in support of sealing yet because it has not  
16 been able to ascertain what of its information was used by the parties in these documents. The  
17 parties are ORDERED to meet and confer with Nintendo and provide the information necessary so  
that Nintendo can seek sealing of any confidential matters in the parties' filings. Nintendo shall  
18 then file a declaration in support of sealing as required under Civil Local Rule 79-5(f). Nintendo's  
19 statement in support of sealing is due August 7, 2023.
